Dear business owner,

COVID-19 and its variants have forced businesses to come up with new ways to keep their patrons and employees safe from the virus. Although guidelines change frequently, there are some suggested precautions that have proven effective and are strongly suggested by the Center for Disease Control (CDC) and the Vermont Department of Health. In an effort to ease the burden and help our local businesses sort through some of the information, the Danville Selectboard is sending out the enclosed posters.

It is our hope that these signs will offer some guidance to the community in how to keep each other safe from this highly contagious variant. They are not required to be displayed; rather, our intention is to provide businesses with COVID-19 factual, educational, information to share with the community.

The State Legislature has made it the responsibility of Town Selectboards to decide whether to implement a mask mandate. At the December 2<sup>nd</sup> meeting of the Danville Selectboard the board voted unanimously to have a Town wide mask mandate. Copies of the rule are attached. If you have questions or would like to request additional printed copies of the enclosed materials, please contact the Assistant to Selectboard, Audrey DeProspero at 684-3426 or email her at [adeprospero@danvillevt.gov](mailto:adeprospero@danvillevt.gov). Concerns can be brought to the Selectboard's attention and addressed at their upcoming meeting(s). Members of the Selectboard are always available for comment and their contact information can be found online at [www.danvillevt.gov](http://www.danvillevt.gov) or by calling the phone number above.

It is our hope that this mandate will help to keep the citizens of Danville safe as well as move us closer to the end of the pandemic.

Thank you for your consideration and for all that you are doing to help keep our neighbors safe.

The Town of Danville Selectboard

Ken Linsley, Chairman  
Eric Bach, Vice Chairman  
Kellie Merrell  
Kristin Franson
