

My name is Peter Griffin and I am running for re-election to the Selectboard. I am running for the 3-year seat.

I have really enjoyed being on the Selectboard. It has been a good group of members that has worked together well. Last year, I helped re-write our sewer ordinance, I was able to help the Town navigate different issues related to COVID, and, as a group, the Selectboard was able to deliver a level funded municipal budget that maintains town services without any net increase in municipal taxes.

But more importantly, I learned a lot about our Town, its dedicated employees, and all those who volunteer so much of their time to make it a wonderful place to live. So, thank you! It has been a great experience for me.

In terms of my background, I have lived in Danville since 2010, along with my wife Maryellen and children Wavy and Henry. Before moving to Danville, we ran Old Shaw Farm, a certified organic vegetable farm in South Peacham. Our business served local residents through farmer market sales, a CSA, and through sales at the farm.

I am also a lawyer by training, and I worked for the Vermont General Assembly as a legislative attorney for nearly ten years. In that job, I worked in a nonpartisan capacity with legislative members of all parties to write and advance legislation on a vast array of issues. That work gave me a background in how local governments work, and how to work with others to get things done.

I would be excited for another opportunity to serve my neighbors and this wonderful community.
