

My name is Edward Ledo and I am running again for the position of Delinquent Tax Collector and would appreciate your support.

I have been a resident of Danville since May of 1986 when I was stationed at the St. Johnsbury barracks as a Vermont State Trooper. My wife LeAnne and I raised our two children here. I have remained involved with the community in a variety of ways: Boy Scout Leader, Member of our church, Volunteer at the Recycle Center and Volunteer at Stump Dump. I retired from the State Police in 2013. I was elected to the position of Delinquent Tax Collector on March 3rd, 2015 and have been re-elected each year since. I work closely with the Town Clerk and Town Attorney to reduce delinquent accounts. We have been successful in reducing the number of delinquent tax accounts over the past several years which reduces the tax burden for all Danville residents.
