Treasurer's Report: Marie gave the Treasurer's Report.

The report was accepted for audit.

Town Financials: We looked these over; they are attached to this set of minutes in the secretary's notebook.

Letter was read that Liz did write to the Selectboard about finances, buildings etc. It is attached in the notebook.

Talked about dollars and numbers for 2022 and going forward.

Liz will check into Bill 518 regarding energy audits. Ken is also continuing to track this for all Town buildings.

Furnace discussion; seem to be having more issues and maintenance calls.

Trees around the property are being cleaned up by Greg Prior

Playground: Land needs to have drainage done before playground goes in. Fenoff was talked about for work, however, to-date, none of the contractors who Lee has reached out to have submitted bids for the Grant. Base of under play equipment would be mulch at required depth, need design, and equipment.

Ken Linsley requested that Selectboard members only be asked to attend NDSA meetings as deemed necessary.

Meetings are held at 7 PM the 1st Monday of:
February, May, October, & December.

Liz Sargent, Secretary
